**Subject: Provisional Empanelment of your Organization Vishwak Engineering Services as the Business Associate of AFC India Limited.**

Dear Mr. Murlidhar,

Please refer to your request dated 8<sup>th</sup> July 2025 for empanelment with AFC India Ltd. We are happy to inform you that your organisation has been provisionally empanelled with AFC India Limited for the time being. The provisional empanelment allows your organisation to be an Associate of AFC India Ltd for business acquisition directly with your intervention.

Upon successful acquisition of the new project initiated by your efforts, you will be formally issued a letter of empanelment that solidifies our association with your organization. A separate Agreement will be signed with respect to the implementation of the project acquired, defining your role in implementation considering the strength of your organisation at the given point of time. This project will be meticulously supervised by a committee comprised of your representative, an AFC representative, and a Subject Matter Expert. The primary objective of this committee is to ensure the qualitative delivery of services, rigorous monitoring, and strict compliance with the project's parameters and goals.

This provisional empanelment does not entitle you to any claim in the ongoing business acquisitions pursued by AFC or in the current project implementations conducted by AFC and its partners.

This provisional empanelment only allows you to be associate of AFC only for business acquired directly with your intervention with prior concern of AFC.

We look forward to work closely with your organisation in creating new verticals in the field of engineering especially in civil infrastructure, acquisition of new business opportunities and in implementation of the same. We are confident that our association shall result in successful acquisition/implementation of the projects in a mutually beneficial manner.

Yours sincerely,

Awanesh Kalik
